# Thousands of pieces of gold!

## Did you Know?

If your family had a thousand gold nuggets like the one pictured above, you would have over a million dollars!!

## In Psalm 119, the Psalmist says...

“The law from your mouth is more precious to me than THOUSANDS of pieces of silver and gold.” – Psalm 119:72

## What does that mean?

According to the Psalm, God’s word (the Bible) should be more precious to us than millions upon millions of dollars!

**So we have to ask...IS God’s Word more precious to our family than money?**

**If not...let’s admit, confess, and repent together, and ask that He would give us the same desire for His Word that we see in Psalm 119!**
