

At Menomonie Alliance Church, we exist to glorify God by offering hope to all people through a growing relationship with Jesus Christ.

GROWTH OPPORTUNITIES...

...allow us to engage with others to glorify God in both church and home-based small group settings. Through these connections, we can share the hope of Jesus Christ and make it a part of the community in which we live.

Every Growth Opportunity will focus on these three core elements:

STUDY

Discovering the truth of God's Word; intentionally growing in faith, prayer, meditation, fasting and worship

COMMUNITY

Bringing unity under God, serving others, being accountable to each other, loving each other, and worshipping together

IMPACT

Offering hope to the hopeless, serving others, benevolence to all
