

Hello Parents!

I am excited for this summer's activities. You will find a lot of things for you or your student to take advantage of. We are having a **NEW summer Bible study** for both middle and high school students on Tuesday nights. This will be a time of connections, Bible study and prayer. Jeff and Cindy Hecker will be hosting the Bible study at their house (address on back).

Summer youth group is back AGAIN this summer! It is a combined middle and high school youth group event for the summer. The goal for these nights is a time to connect relationally and spiritually. This is an opportunity for the students to invite friends, have fun, and connect with each other.

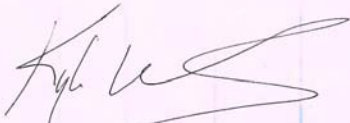

Middle School Students/Parents -- there is an application included for the **Engage715 Middle School Missions Trip** on August 2-5th. If interested, please fill out the application and turn it in to me by Wednesday, July 26th.

Fall 2017 6th grade students are invited to join youth events beginning on Wednesday, June 14th for the Road Rally from 7-9pm. I look forward to getting to know them and having them participate in the youth group activities and various events over the summer!

All students need to have a completed Alliance Student Ministries Permission Slip and Medical Release Form on file. These are located outside my office. **This is required for each student.** If you already submitted a health form in the past, and have not changed your insurance or contact information, you **DO NOT** need to resubmit a form.

Please let me know if you have any questions about the summer activities. Thanks for posting the calendar on your refrigerator and praying for Alliance Student Ministries! I look forward to seeing the amazing things God does this summer in the lives of your students!

Serving with you,

Kyle Wiens
