

Hello Parents!

I am excited for this summer's activities. You will find a lot of things for your student to take advantage of.

Summer youth group is back AGAIN this summer! It is a combined middle and high school youth group event for the summer. The goal for these nights is to have a time to connect relationally and spiritually. This is an opportunity for the students to invite friends, have fun, and connect with each other.

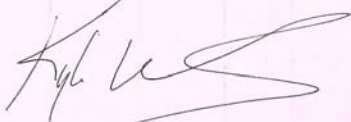

Middle School Students/Parents - There is an application included for Engage715 Middle School Missions Trip this summer. It is August 1-4th. If interested, please fill out the application and turn them in to me by Wednesday, July 25th.

Fall 2018 6th grade students are invited to join youth events beginning on Wednesday, June 13th for the Road Rally from 7-9pm. I look forward to getting to know them and having them participate in the youth group activities and various events over the summer!

All students need to have a completed Alliance Student Ministries Permission Slip and Medical Release Form on file. These are located outside my office. This is required for each student. If you already submitted a health form in the past, and have not changed your insurance or contact information, you DO NOT need to resubmit a form.

Please let me know if you have any questions about the summer activities. Thanks for posting the calendar on your refrigerator and praying for Alliance Student Ministries! I look forward to seeing the amazing things God does this summer in the lives of your students!

Serving with you,

Kyle Wiens
