

# HELLO PARENTS!

Please take a look at the calendar that is on the back side of this page as it is full of activities for your student.

The “**Sprinter**” Retreat is almost here. It is Friday, March 23 - Sunday, March 25. It is not too late to sign up your student! Eric Hauck will be the speaker again this year. The cost for your student is \$75. Take a registration flyer from the youth room or outside my office.

## **Student Ministries Summer Trips:** *High School Summer Wilderness Trip, June 16-23, 2018*

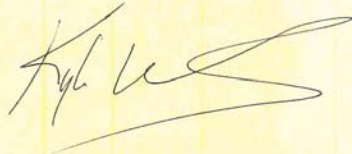

This summer, a group of 12 high school students and adults are going out to Colorado for a 3-day backpacking trip in the Colorado mountains. This trip is a chance to get away from the noise of our busyness and connect with God through his creation. We will also be staying and serving in Denver. The cost of this trip is \$500 per person. Applications for the trip will be available in April.

## *Middle School Engage715, August 1-4, 2018*

This summer the middle school will be doing a four-day local summer missions trip around Menomonie. The cost for this will be \$100. Applications will be available in June.

Please let me know if you have any questions about the spring activities and thanks for all your support of the student ministry!

Serving with you,

Kyle Wiens
